RE: WATER DISTRICT #34

Dear Mr. Crawford:

In checking our records we find that we still need to receive the Oath of Office and the Petition for Watermaster Services before we can officially certify the watermaster in Water District #34. We have received all of the other needed items which is appreciated.

Please send the Oath of Office and the Petition for Watermaster Services to us as soon as possible. Our address is given in our letterhead. Once these two remaining items have been received by this office we can complete the certification process for you.

Thank you for your help in this matter.

Sincerely,

Harold W. Jones
